Another pedagogic use of this anthology is to introduce non-law students to the core questions of environmental policy without having to wade through technical legal material. Students with backgrounds in environmental studies, the natural sciences, engineering, political science, economics, philosophy, policy analysis, and public health will all find some common ground in the excerpts and notes. An anthology series is a radio, television, film series that presents a different story and a different set of characters in each episode, season, segment or short. These usually have a different cast each episode, but several series in the past, such as Four Star Playhouse, employed a permanent troupe of character actors who would appear in a different drama each week.
