Most iPad users are now on iOS 9, so if you are unsure of your version, download the iOS 9 manual. These manuals are geared more towards the operating system than the actual device. If you haven't updated the operating system, find your iPad in the list and use the manual appropriate for that model. This guide teaches all the basics of using your iPad, and is perfect for seniors, first-time iPad users, and iPad enthusiasts. The iPad is a revolutionary tablet with the power to do many functions. Your iPad can: send e-mails, surf the internet, play music, watch movies, manage travel plans, and so much more.
