The EEI (essential elements of instruction) lesson plan format is a unique way to approach teaching. This lesson gives an overview of the model and provides a template for your use. First, the Framework for Teaching (FFT) is a valid instrument for defining effective teaching. Several large research studies (the MET project, a study in Chicago) demonstrated its predictive validity: that is, when teachers demonstrate high levels of proficiency on the FFT, their students show greater learning gains than do the students of teachers who perform less well. Lesson plan prepares a lot of importance and benefit to the teachers and learners. Hence, here there are following importance that included in lesson plan. Constructivism is a teaching method and philosophy that is unique in the world of education. This lesson explains the theories of constructivism and shares a sample template for you to use.
