"English for Occupational Purposes (EOP) is an exploding field of enquiry and practice. On the surface, it seems to be a fusion of two disciplines: the teaching of English as a Foreign Language and general occupational training. Dan Kim's seminal book explores that apparent fusion, and reports a far more complex narrative." "English for Occupational Purposes (EOP) is an exploding field of enquiry and practice. On the surface, it seems to be a fusion of two disciplines: the teaching of English as a Foreign Language and general occupational training. Dan Kim's seminal book explores that apparent fusion, and reports a far more complex narrative. English for Occupational Purposes examines the field of teaching English in occupational settings as a particular instance of general workplace training and development. It is the first book to unite scholarship on workplace English with general training. The book uses case studies and surveys from ...together with the fact that EOP is a primary motivation for the study of English as a foreign language (EFL) around the world, makes Dan Kim's monograph a crucial. initial contribution to research in the general field of English for specific purposes.
