Robotic 3-in-1 Welding Fixture – The patent pending 3-in-1 adjustable welding fixture is designed for use on a robotic weld training system. Pre-Engineered Fab-Pak® Robotic Welding Solutions. Today's manufacturing requires efficiency and cost savings at every opportunity. Wolf Robotics provides Fab-Pak our entry level standardized robot cells to optimize your welding. "At times it can be difficult to convey to a new customer the depth of experience and qualifications of our organization. Achieving the Robotics Industries Association certification demonstrates our expertise and allows our customers to make a more informed supplier selection decision based on the findings of an independent third party."
