I get quite a few questions about Craftsman garden tractors and they have been a pretty popular brand over the years. We have repowered some and repaired some here at our shop. There is a Yahoo group/forum for Sears garden tractors. Joseph is the moderator and a pleasant, helpful guy. Jim does a lot of modifications on the garden tractors to get just what he wants out of them. Our shop tractor, "The Bird" was one of those many projects done. If you would like to read about all of the modifications to this John Deere 318 garden tractor we have a web site page that explains them all. Jim even put headlights in the front end loader bucket. I have a real nice Cub Cadet Wide Frame Pulling Tractor for sale; it is ready to pull. It has an 18 hp Opposed Twin Kohler engine. It has double clutch setup, adjustable hitch, wheelie bars, kill switch, aluminum gas pedal.
