MYPRINTABLECALENDAR DOCUMENT - Best Document ArchiveHi. I bought a pentax digital SLR for around £600 in mid august of 2008. Yesterday it developed a fault where it would not read memory cards. After searching on the internet and on forums i find that it is a common fault which can happen at any time, and that a repair costs around £200.Arlington | United StatesSearch the history of over 362 billion web pages on the Internet.
