You don't need to run around in search of repair parts for your Kia. You'll find everything you need for a successful repair right here on our digital shelves. cliffb, my issue was the same. I have figured out (or guessed) that apparently Kia changed to the FET motor control midway through 2007, but it seems all parts lists everywhere only call out the resistor for a 2007 replacement part; you have to look for a 2008 replacement part, which is the part you came up with. To make sure your vehicle stays in top shape, check its parts for wear and damage at regular intervals and replace them in time. When you are in need of a reliable replacement part for your 2005 Kia Sorento to restore it to 'factory like' performance, turn to CARiD's vast selection of premium quality products that includes everything you may need for routine maintenance and major repairs. Hey all, Just pulling up to about 9.8k miles on my Sorento and the left low beam bulb just called it quits on me... I read this in the manual: "Normal maintenance items including but not limited to spark plugs, engine belts, filters, wiper blades, and
