History. The story of KTM 950 Adventure started in 1992. That year, a one-off special called the Bepono, built for the German BoTT series by two engineering students by combining a pair of cylinders from a KTM LC4 single on a special crankcase, was displayed on the KTM stand at the IFMA Show in Cologne.. That was just a teaser, though - as was the second time around in 1996, when it was ...its a really good thing these bikes look better in actual photos vs the stock ones lolView and Download KTM 640 LC4 owner's manual online.
