

Download Mercury 25el Hp 2 Stroke Manual

A leading name in marine engines, Mercury is recognized for producing top-quality outboard motors as well as the MerCruiser line of inboard engines. A leading name in marine engines, Mercury is recognized for producing top-quality outboard motors as well as the MerCruiser line of inboard engines. If the motor is running, then you probably have some air in the system. Try to trim the unit up and down a few times and recheck the fluid. If it won't come up at all, release the manual relief valve and manually lift the engine. MarineEngine.com does not offer troubleshooting assistance or repair advice by email or by telephone. You are invited to join our public Boat Repair Forum to seek assistance from other members. You may also visit the Boat Motor Manuals section of our site to obtain a service manual.
