

Download Molecular Diagnostics Ascp Study Guide

"ASCP offers a variety of excellent online continuing education courses and activities to help me earn my continuing medical education credits (CME) and meet my Credential Maintenance Program (CMP) and Continuing Certification (formerly MOC) requirements while staying on the forefront of the profession." ASCP Board of Directors. The ASCP Board of Directors governs the activities of the Society and is responsible for its fiscal viability and for achieving our mission of providing excellence in education, certification, and advocacy on behalf of patients, pathologists and laboratory professionals. The Institute for Learning sponsors live webinar events covering emerging topics in laboratory medicine and industry trends on a quarterly basis. Presenters are selected from the University of Utah School of Medicine, Department of Pathology faculty, and ARUP medical directors, staff, and consultants. Our webinars are free of charge, offer continuing education credits, and are open to the ...Stago EdVantage Virtual University is an educational platform that demystifies hemostasis testing with on-demand webinars and a virtual exhibit hall that explore basic and complex concepts, making them accessible to novices as well as experienced users.
