NR Computer Learning Center (NRCLC) work with schools, educational institutions and organization to help students learn technology and prepare for IT Associate Certificate exam including Microsoft Office Specialist (MOS), Microsoft Technology Associate (MTA) and more. For more information, call 714-505-3475. The Microsoft Technology Associate (MTA) certification is specifically targeted at students who are interested in computer science, coding, and additional traditional IT careers. The New York City Subway is a rapid transit system owned by the City of New York and leased to the New York City Transit Authority, a subsidiary agency of the state-run Metropolitan Transportation Authority (MTA). Opened in 1904, the New York City Subway is one of the world's oldest public transit systems, one of the world's most used metro systems, and the metro system with the most stations.
