Memorandum Assessment Policy, Development and Administration, Contact OSA University of the State of New York - New York State Education Department WAMAP is a web based mathematics assessment and course management platform. Its use is provided free to Washington State public educational institution students and instructors. Introduction. At the beginning of the 21st century, some researchers identified a “black box” between HRM and firm performance, since the intermediate mechanisms through which this relationship occurs had largely been ignored in the literature (Gardner et al., 2001). This situation has changed, however, as numerous studies now address this issue (see Jiang et al., 2012a for a review ...
