The Keenan Mech-Fiber Mixer Wagon is a TMR feeder with a difference.
Mech-Fiber 400 Operator™s Manual 4 Revision D04, 10th Nov. 2010
Introduction 1. Introduction Keenan Mech-Fiber Mixer Wagon and Keenan Mech-Fiber Bale Processor
Thank you for purchasing a Keenan product. This unit attaches directly to the baler at two points; the baler's wagon hitch and a stabilizer hitch. These two hitch points keep the accumulator aligned with the bale chamber at all times.
