

# Download Pediatric Ccrn Sample Questions

CCRN® Pediatric is a specialty certification for nurses who provide direct care to acutely/critically ill pediatric patients regardless of their physical location. Nurses interested in this certification may work in areas such as intensive care units, cardiac care units, combined ICU/CCUs, medical/surgical ICUs, trauma units or critical care transport/flight. Pediatric CCRN Review Online is a comprehensive video training program for Registered Nurses preparing for the Pediatric CCRN Examination. The program is taught by Stephanie Doig RN, BS, MS, CCRN and includes Pediatric CCRN Practice Exams and a Pediatric CCRN Study Guide. CCRN-K™ (Adult) is a certification for nurses who influence the care delivered to acutely/critically ill adult patients but do not primarily or exclusively provide direct care. Frequently Asked Questions. What does CCRN Mean? CCRN is a board certification that can be obtained by nurses who care for patients in the acute care and/or critical care settings.
