There are many different ways to study for the big test, but using every strategy in the book can lead to confusion. Preparing for your Praxis certification exam does not need to be like throwing darts at the wall blindfolded. Let Exam Edge guide you through the study process. This reference list was compiled by Robert Hare for personal use. Most, but not all, of the articles listed on these pages discuss or evaluate the PCL-R, the PCL:SV, the PCL:YV, and other Hare Scales. Links to available abstracts, and when available, links to the full text on the Journal web sites are provided (search for [full text] on the page below).
