1-800-SA-TRUCK (1-800-728-7825) The Donation Value Guide below helps you determine the approximate tax-deductible value of some of the more commonly donated items. It includes low and high estimates. Please choose a value within this range that reflects your item's relative age and quality. Use the Donation Value Guide to help determine the approximate tax-deductible value of items commonly donated to The Salvation Army. For your convenience, use the Salvation Army valuation guide. Salvation Army offers a printed form, that lists values of 138 items, mostly clothing as either Low or High. Thus, you may estimate the average price for the thing listed in the document. Take into consideration the fact, that all things must be in good condition. When you donate goods to The Salvation Army, those items are then sold at our Family Stores. And the proceeds are used to fund our Adult Rehabilitation Centers, where those struggling with drugs and alcohol find help, hope, and a second chance at life.
