ELMO ST-600 Service Manual: Hi everyone, I am new to the forum. I recently acquired an ELMO ST-600 Super 8 projector. Motor sounds fine but no motion in either arm. I am suspecting a belt is broken. I need help getting it apart and trying to repair it. Does anyone have a service manual for this machine?Hi, Matthew! Welcome to the forum. There is a lot of information here from the members and I am sure someone will offer some help. I couldn't find a service manual for the ST-600, but maybe the manuals for the ST-800, ST-180, or even the ST-1200 may be similar.Elmo ST-1200 projector service manual Service manual required - Elmo Projectors Elmo St-1200hd Super 8mm Film question.
